Peak Fitness Mobile Home - Pre-Login

This is the default home page when a user navigates to peakfitness.com from their phone. If they are currently logged in, they will be taken directly to the "Member Home" page.

- 1 Header bar with logo, and menu button remains visible on all pages, locked to the top even when scrolling.
- 2 Hamburger Menu, visible on all pages, holding all Top Navigation (Home, Locations, Classes, Personal Trainers, Shopping, About Peak Fitness, Contact Us, Member Log in, Etc.)
- 3 Existing Member Log In - Links to Log In Modal Window
- 4 Promotional Image with optional text
- 5 Join Now Button - Encouraging New Membership. Links to Registration page.
- 6 Locations Button - Links to Locations Page
- 7 Contact Us Button - links to Contact Us Page
- 8 Footer - Social Media Links

- 9 Active screen "grays out" when the menu has been opened, except for the header bar at the very top.
- 10 User may touch the arrow icon or the Hamburger Menu icon to close the menu and return to the page they were on.
- 11 Menu options "Member Sign-In" and "Join Now" only apply to pre-logged-in users, so they will not be included in the menu for logged-in users.
- 12 Menu options "Sign-Out", "Work-Out Now", "My Account", and "Community" only apply to logged-in users, so they will not be included in the menu for pre-logged-in users.

- 13 After successful login, members will be taken to the "My Progress" page. Unsuccessful logins will result in the modal window refreshing to indicate it was a failed login.
